Fact Sheet - Using our Website

The website of the Hayling Scouts like all other sites contains a lot of information the quantity of which is growing all of the time. Unlike many other websites, however, ours is updated regularly as you will notice every time you visit our home page.

Our website has become a very important tool for us. Over 60% of the requests to join the Group are sent online rather than by telephone calls. We have also had a number of other requests from people finding our site via a Google Search and also receive a number of positive comments about the effectiveness of our site. Some of the key areas of our site are:

From the Home Page on the Mauve bar Menu at the very top of the screen

Search This option links to Google and you can search the site for information, or you can access the worldwide web.

From the Home Page on the Mauve bar Menu below the Scout Logo

Section News: Follow this link to a list of our Sections, choose a Section and you will see information provided by the Leaders. You can find Leaders' letters, programme information and other news items.

Information for Parents: A step-by-step guide to joining the Group and what happens. You can also get a link to show where the badges go.

Adults in Scouting Ways in which over 18s can join in the fun and/or support the Group

Next Events: A summary of the fundraising and Group events coming up in the next few months. These events can also be accessed by selecting the pictures and text above the "Latest News".

Vacancies A summary of some help we are currently looking for

From the Home Page using the Navigation bar down the left hand side

Badges and Awards: Follow this link to see what badges can be gained and also where they go on the uniform. We also maintain a Roll of Honour of top awards gained and you can find the list in this section.

Sponsorship: You can see the organisations, businesses and individuals who support us including those who sponsor one or more of our badges.

Information Archive Useful if you want to look at previous news items, issues of "The Woggle" or our Annual Reports

The pictures provide links to other information, for example "The Woggle", our current 5-year Plan and also a link to download Adobe reader for files with a type of PDF - now a very common way of distributing information on the internet.

The boxes displayed in the content part of the home page will often contain links to useful information.
