

Happy New Year ! - We hope you all had a wonderful Christmas Break

Looking forward to 2026 and another year of fun and adventure.

Christmas Post

Massive thank you to everyone that that supported us with our Christmas post last year.

We could not do this without the support of you and our local businesses selling our stamps.

We posted over 2500 cards again this year raising over £1000 for the group.

Cubs go to the panto

Saturn and Jupiter Cubs all attended the Panto at the Kings Theater to watch Aladdin.

They all had a wonderful time. Toilet rolls were thrown, songs were sung and baddies were booed.

The Cubs plan to return this year to see Jack and the Beanstalk.

Road Works

Road works, Jan - March

Due to road works around Church Road and Kings Road, high congestion is expected.

We kindly ask Scout families to be considerate when parking and to walk where possible.

Subscriptions

Scouts Subs is on the online scout manager system, When a young person moves up to a new section (for example, from Beavers to Cubs).

When your child moves sections, you will receive an email inviting you to restart their subscription as it is automatically cancelled as soon as they are removed from their current group.

Can you please do this as soon as you receive the email to prevent any delayed or missed payments.

We need your help

As a growing group we are always looking for further support for our 200 members. We have leadership roles available in addition to the Leader roles there are many other jobs that need to be done to support our Scout Group. Many of these require only a few hours a year but represent invaluable support to our Leaders.

Please email gsl@haylingscouts.org.uk or call 07917440831 for more information.

Use your skills to help young people gain theirs

Due to our popularity, 3rd Hayling SCOUT GROUP has opportunities for additional volunteer leaders and helpers to assist with running the Group.

Did you know?

- We have over 150 young persons involved in Beavers (ages 6-8), Cubs (ages 8-10.5) and Scouts (ages 10.5- 14) meeting weekly.
- 83% of parents think Scouts helps young people develop skills for life
- We offer over 200 activities from abseiling and climbing, Archery & rifle shooting, Fire lighting & cooking/ eating
- You don't have to be a parent to help out and prior experience or a connection with Scouting is not necessary. We welcome people from all backgrounds.
- Over 160,000 adult volunteers in Scouting learn new skills, make new friends and make a positive impact in their communities.

What's in it for me?

- Gain externally recognised skills and develop personal skills like teamwork, confidence and leadership.
- 90% of our volunteers believe that the skills and experiences they have gained through Scouting have been of relevance to their working or personal lives.
- Have a brilliant time!!

We believe in helping young people grow in confidence and explore their potential as well as providing a range of adult volunteering opportunities.

If you choose to volunteer, you can work directly with young people or in a support role.
