If it becomes necessary for my child to receive medical treatment and I cannot be contacted by telephone to authorise this, I hereby give my general consent to any necessary medical treatment and authorise the Camp Leader named above (or in their absence one of the named Assistant Leaders), to sign any document required by the Hospital Authorities. I will inform the Camp Leader if any of the information given on this form changes before the event					
<b>Parent / Guardian Name</b> 				<b>Relationship to Camper</b> 	
<b>Signature</b> 				<b>Date</b> 	
NOTE: The Medical Profession takes the view that a Parent's consent to medical treatment cannot be delegated. This view is explicit in the Children Act 1989. Thus medical consent forms have no legal status and a Doctor / Nurse insisting on the consent of the Parent or Guardian has the					

right to do so. For this reason we do not insist on Parents signing the statement above. At the same time, it can be a comfort to medical staff to have general consent in advance from Parent's or to have a Leader on hand able to sign forms required by the medical authorities.
